

TEULON ELEMENTARY COMMUNITY REPORT 2022 - 2023

MISSION STATEMENT

TEULON ELEMENTARY SCHOOL BELIEVES IN FOSTERING A SAFE LEARNING ENVIRONMENT WHERE STUDENTS TAKE RISKS AND TAKE PRIDE IN THEIR GROWTH AS LEARNERS. STUDENTS ARE ENCOURAGED TO BE RESPONSIBLE CITIZENS WHO RESPECT THEMSELVES AND THEIR SCHOOL COMMUNITY. WE BELIEVE STUDENTS SHOULD HAVE A VOICE IN THEIR LEARNING, AND BE ACTIVELY INCLUDED WHEN IT COMES TO DEVELOPING CLASSROOM EXPECTATIONS, GUIDELINES, AND LEARNING GOALS.

About us:

Teulon Elementary has a current enrollment of 237 students in grades K-6. With 17 teaching staff, and 20 support staff, we provide quality public education to all of our students. Our staff strive to meet the needs of all students regardless of the ability level, learning style, or previous school experiences.

Our Values:

All staff and students strive to be "Respectful, Responsible and Safe" in the classroom, hallways, and on the playground. These 3 important rules, guide our behaviour and actions.

Our Areas of Focus:

Literacy, Numeracy and Well-Being

Literacy

- We developed a structured literacy classroom where our Early Literacy Teacher worked with all Grade 1/2 classrooms 30 minutes daily.
- We purchased a variety of decodable texts based on the Science of Reading.
- Small group instruction for some Grade 3-6 students
- Literacy section in our monthly newsletter

Numeracy

- All classes implemented number talks
- Many teachers used vertical whiteboards for students to demonstrate critical thinking skills
- Numeracy section in our monthly newsletter

Well-Being

- Intergenerational Program sponsored by GAAC
- Grade 5 and 6 students participated in the divisional track and field meet.
- Well-being section in our monthly newsletter.
